Spring Spree!

A Week of Student Fun

Spring Spree is always one of the most exciting weeks on the East Central campus for students as there is something for everyone and most all students participate.

The 2015 Spring Spree had a "Super Heroes" theme, and included events Monday through Thursday. Spring Spree is sponsored by the Student Body Association.

This year's Spring Spree kicked off on Monday, April 20, 2015, with a ribbon cutting for the new Disc Golf Course, which is located near the pavilion and lake area. Following the ribbon cutting was a demonstration of how to play disc golf.

That afternoon the traditional sand volleyball tournament began in front of Todd Hall. The tournament continued each day until the Tournament Championship on Wednesday, April 22.

On Monday evening was the EC's Got Talent competition won by Ben Pace.

On Tuesday, the volleyball tournament continued, and a "Super Heroes" Dance was held that night in the South Campus Gym.

Wednesday included more fun with hundreds of students running around campus as part of the Scavenger Hunt.

The week of fun ended on Thursday with the annual Spring Spree Games on the football practice field, followed by the Crawfish Boil and a band performing at the EC Pavilion.

Spring Spree is always one of the most exciting times of the year and gets all the students in a good mood just before finals begin!

Campus Housing

Dorm Life

East Central is dedicated to offering the best in housing facilities. The campus has a total of seven dorms—three female and five male. The three female dorms include Barber Hall, Jackson Hall, and Leake Apartments. The five male dorms include Neshoba, Todd, Newsome, Winston, and Scott halls. All together the dorms have a total of 278 rooms and are all well equipped with all the necessities students need to live.

Barber Hall, the newest dorm for females, has 64 rooms and includes a kitchen, a lobby, and a laundry room. There are also study rooms for students who need a peaceful environment to crack open the books. The other female dormitory is Jackson Hall. It includes all the same amenities as Barber Hall. Leake Apartments is designated as the sophomore honors dorm and students

must have a 3.0 grade-point average to apply for this apartment building.

Winston and Todd halls are very similar to the female dorm setup. Together, the two dorms have 71 rooms. The two dorms are positioned side-by-side and share a laundry room. Newsome and Todd halls underwent \$2.1 million in renovations during summer 2015.

There are many opportunities available for students choosing to live on campus.

Sophomore dormitory student Shannon Keene of Carthage said, "Being a dormitory student is really convenient. I am also able to be involved in many school activities. You get to meet so many people just by living in the dorms. I really like living on campus."

Newsome and Todd halls both underwent major renovations during summer 2015.

The Life of a Commuter

"I don't live in the dorms ... I'm a commuter."

When students who do live on campus hear this statement, it usually sparks a conversation and quite possibly a debate. Which is better, commuting or living in the dorms?

As a commuter myself, I know firsthand that there are many downsides to commuting, but I also know that there are several positive aspects as well. Living in the dorms enables a student to be closer to the school and therefore be more involved with many of the activities that occur on campus. Living at home, however, does provide you with more advantages such as free meals, fewer regulations, more time spent with family, and more freedom in general.

Disadvantages include parking problems (the later you

arrive, the harder it will be for you to find a parking spot), having to get up earlier, and in some cases, driving long distances. It can also be frustrating at times when there are long breaks in between classes and you don't have a dorm to hang out in.

Lillie Shuler, a commuter from Carthage, says "Driving back and forth does have its drawbacks, but overall, I really think that commuting is the best option for me." She also said that she "enjoys being able to still live at home and spend time with her family."

In the end, there is no perfect answer as to which option is better. Each student must weigh the pros and cons and decide what works best for their education.

We're Back!

Welcome Back Week

Welcome Back Week was the first week of school at East Central. The Student Body Association organized several activities for students to get involved.

Welcome Back Week was a week that everyone got to know their fellow classmates, adjust to "college" life, get active, involved, and have fun!

Events kicked off with Move-In Day on Sunday, August 16. On Monday, August 17, East Central Community College classes started, and in the afternoon the fun began with "Monday Madness." At "Monday Madness," there was a 30-foot slide, snow cones, laser tag, and paint twister located at the pavilion and Intramural Field. On Tuesday, August 18, there was a "Cookout with the Council" at the pavilion and students enjoyed a movie shown in Vickers Auditorium. On Wednesday, August 19, the "Clubs Unite" was held in Brackeen-Wood Gym. All campus clubs and organizations had a preview and allowed students to sign up for different clubs to get involved.

The annual Foam Party was scheduled for Thursday, August 20, but due to inclement weather, it had to be rescheduled for September 1. The last event on the following Monday, August 24, was "Meet the Warriors." Students had a chance to meet the football, golf, women's and men's soccer teams along with the Wall O' Sound Band, Centralettes, and cheerleaders at Bailey Stadium.

"My favorite event during Welcome Back Week was the bounce houses at Monday Madness," said Aspen White, a freshman from Philadelphia.

"My favorite thing about Welcome Back Week was getting to meet new people, but also getting to hang out with my old friends," commented Taylor Russell, a freshman from Louisville.

Homecoming Week

Homecoming is familiar territory for the students and alumni at East Central Community College. While there are many traditions that we look forward to each year, Homecoming is memorable in itself whether it is a new event, new face, or just a new year. With a different theme every day and different event every night, the East Central Homecoming celebration builds throughout the week.

This year SBA decided to have dress-up days each day leading up to Homecoming. Monday was America Day. Everyone was encouraged to wear their red, white, and blue.

Tuesday was Superhero vs. Villain Day. Everyone was either dressed as their favorite superhero or villain. Tuesday night students had the choice of attending two different events. One was the Fields of Faith in Bailey Stadium hosted by FCA. The other event was hosted by Bon Appetit. They offered the movie "Willy Wonka and the Chocolate Factory" in Thrash Auditorium.

Wednesday's theme was Twin Day. Everyone grabbed a friend and dressed like each other. It was also College Worship Night at Clarke Venable Baptist Church.

Thursday was Black and Gold Day. By wearing these colors, everyone was supporting East Central. A Pep Rally was held at Bailey Stadium. The Pep Rally was full of excitement. There was a fireworks show, the Wall O' Sound Band performed, and the Homecoming Court made its first appearance. Following the Pep Rally was the Homecoming Dance. The dance was held at the Pavilion.

The excitement from the week built as Homecoming Day got closer and closer. Everyone was ready for the big day and the big game. The biggest part of the celebration was yet to begin.

Homecoming Day

More Than Just a Crown ...

East Central Community College's campus is a bustle of excitement throughout the week, but nothing can compare to Homecoming Day. All morning there are events to attract fans, students, and alumni to the campus before the big football game.

The big day kicks off at 7:30 a.m. with the 9th annual 5K run/walk along with the one-mile fun run for kids. At 9 a.m., the alumni registration began near Founders Gymnasium. At 9:30 a.m., the registration for the Lady Warrior Softball Alumni Game began. The faculty and staff of East Central showed off their musical talent at 10:30 a.m.

The Alumni Association Awards Luncheon got underway at 11 a.m. in Mabry Memorial Cafeteria. This annual event is highlighted by the recognition of Alumni of the Year, Reunion Groups, Homecoming Honorees, and the election of 2015-16 Alumni Association Officers.

At 1:30 p.m., the Lil' Warrior KidZone at Bailey Stadium fired up. There were bouncy houses and games for kids to play during this time.

The football game kicked off at 2:30 p.m. At halftime, the Homecoming festivities continued. The Homecoming honorees were announced. The presentation of the new Homecoming Queen and Court followed. To wrap up halftime, the Wall O' Sound Marching Band performed its halftime show.

The East Central Warriors hosted Southwest Mississippi Community College at Bailey Stadium for the annual Homecoming football game. This wrapped up another beautiful EC Homecoming, with Excellence and Class.

Haunted House of Hoops

East Central Community College hosted the annual Haunted House of Hoops on October 28, 2015. All different ages participated in the spooky night full of activities from scrimmage basketball games to costume contests. The night kicked off by introducing the spring sports teams. It was shortly followed by the cheerleaders breaking out of jail by performing a killer dance to Jail House Rock by Elvis Presley. It was filled with tumbling and stunting as they swung to the beat. Then to continue the festivities, the Lady Warrior basketball team scrimmaged against each other for 10 minutes. After they finished the game, the Centralettes took the court bringing out their inner hip hop. With a flip of the hair, they sent the night into more spooky fun. All ages lined the court to participate in the costume contest. The final scrimmage took place between the Warrior basketball team players. When they finished, the fans and all the teams began lining up to get hot wings. Soon the crown began to fade out; however, the excitement for the upcoming basketball season stilled echoed in the gymnasium.

Fall Festival

The Student Body Association (SBA) hosted a Fall Festival in the East Mall Area on November 5, 2015. It was a fun-filled afternoon of food, cakewalks, and thrilling games. It was a chance for the students to take a break from all the long, hard studying hours.

Different clubs offered to provide the food, games, and entertainment for the students around campus, including special entertainment from the Native American Club. SBA raffled off a gift basket from the local boutique Brae Brae's; Anna Claire Webb was the winner.

There were numerous games for the students to choose from such as Wrecking Ball, Corn Hole, and cakewalks. The greatest attraction though was the

dunking booth brought by the Concert Choir. Students lined up in hopes of getting to dunk their favorite teacher, faculty, or coach.

Fall Festival was a great day for the students to step away from the normal routine of class to have some fun.

It also allowed all the clubs on EC's campus to partner with each other and get involved. All the clubs had a variety of items to offer to the students such as food, raffles, and games. Overall it was a great day for some fun.

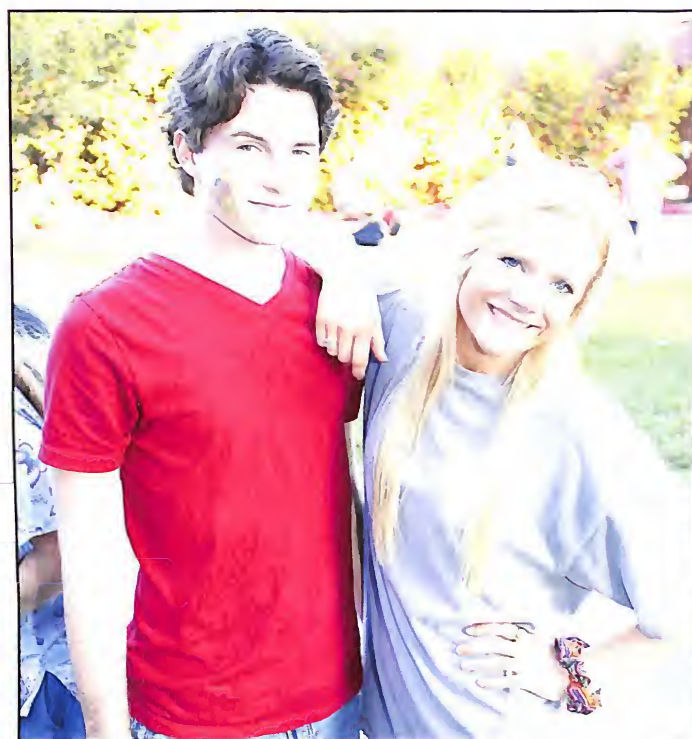

"It was a very exciting day, and I really enjoyed getting to spend time with all my friends. We got to play games and eat. It was a nice distraction from all the stress of school," said Kaylee Yates, SBA President.

Intramural Sports

Competitive Fun!

The Intramural Sports program at East Central Community College promotes competition, sportsmanship and fun among the entire student body.

It provides an opportunity for every student who does not compete on the varsity level to be active and to participate in some type of competitive sports activity as regularly as his/her interest and time will permit.

The program provides the opportunity to belong to a group, to compete and bond as a team, and to make social contacts and friendships outside in the classroom that will last a lifetime.

Activities this year ranged from traditional sports such as flag football, basketball, soccer, and slow-pitch softball to newly established programs volleyball, beach volleyball, and disc golf.

Tournaments were held at the conclusion of the new volleyball, beach volleyball, and disc golf seasons.

Intramural basketball was a popular activity on campus this year.

C.H.A.M.P.S. Heart of Texas Bowl

The No. 15 East Central Community College Warriors turned three first quarter turnovers into points to build an early lead and set the pace in a 35-21 victory Dec. 5 over the No. 20 Kilgore College Rangers in the 2015 C.H.A.M.P.S. Heart of Texas Bowl.

Sophomore safety Jaylon Lofton played a big part in the first two scores. The Forest High School product stopped Kilgore's first drive of the game with an interception in the end zone. The Warrior offense took over from there and marched 80 yards in 13 plays, with freshman running back Tredarian Gamble giving East Central a 7-0 lead on a 15-yard scoring run.

Two plays later, on Kilgore's second offensive possession, Lofton picked up a Ranger fumble and rambled 15 yards to the end zone. With 6:15 remaining in the first quarter, East Central led 14-0.

The Warriors celebrate their bowl victory.

On its ensuing possession, Kilgore again drove deep into Warrior territory to the three-yard line before losing another fumble. This one was scooped up by Warrior safety Austin Balthazor who raced 90 yards down the left sideline for East Central's third touchdown of the first quarter. Austin Garrett's third point after made the score 21-0.

Balthazor was named the game's Most Valuable Player. He also had six tackles to go with the fumble return for a touchdown.

The Rangers finally got on the scoreboard with 4:12 remaining in the first half on a 32-yard scamper by Martinez Syria. East Central took a 21-7 lead into the locker room.

The two teams would combine for 28 points in the third quarter. East Central took just four plays to score to open the second half scoring. Quarterback Jesse Hosket found wide receiver Devin McIntosh in the corner of the Rangers' end zone from 15 yards out to stretch the Warriors lead to 28-7 lead.

The drive began with a 44-yard pass from Hosket to Henri Murphy to the Rangers' 12-yard line.

Kilgore closed the gap to 28-14 on a 20-yard toss from quarterback Josh Bolfing to tight end Jarod Wood on a second and goal play with 6:34 left in the third.

East Central answered with a 38-yard strike from Hosket to wide receiver Kabion Ento, who went high above two Kilgore defenders to pull the ball down for the score and the 35-14 lead.

Bolfing would connect with Wood again on the Rangers next drive from nine-yards out to finish the third quarter scoring and pull Kilgore to within 35-21.

Neither team was able to score in the fourth quarter.

Hosket finished with 150 yards passing and two touchdowns. Gamble finished with 127 yards rushing and one touchdown. Murphy had four catches for 68 yards. Freshman defensive back Isiah Thomas also had an interception for the Warriors. The HOT Bowl was East Central's first bowl game since 1996, and only the fourth bowl game since the Warriors began playing

football in 1928. Only 14 community college football teams in the nation were invited to bowl games this year.

The C.H.A.M.P.S. Heart of Texas Bowl was founded in 2001 by Dr. Jack Welch and a group of local businessmen looking for a way to help others while stimulating the local economy. The day features a bowl game between two top ranked community college teams and a second game against top ranked NCAA Division II teams.

The Heart of Texas Bowl is sponsored by C.H.A.M.P.S., Communities Helping Americans Mature Progress and Succeed, a school-based program aimed at educating students about the dangers of the abuse of illicit drugs and alcohol.

New Campus Patio

East Central Community College has a new patio deck located beside Cross Hall.

It can be used for many different things, and students have found that this new addition to campus is a great place to study. The students pictured above enjoy being outdoors as they study for upcoming tests.

"It's nice to be able to get outside and clear your head, and have a nice place to study," says Landon Bounds. He also said, "I wish this had been built earlier."

Justice Smith, a commuter from Hickory, says "It's a great place to study when you don't have a dorm room to go to. Plus it's nice to be outside to study. My brain functions better when I'm outdoors."

Many other students have discovered the same thing. The patio is not only a great place to study, but it's also a fantastic hangout spot.

Kaishanna Young said, "It's a beautiful and peaceful place to study. It's very comfortable and has a cozy vibe to it. And it's also a great place to sit and enjoy nature."

However, students aren't the only people who have found the new patio to be useful.

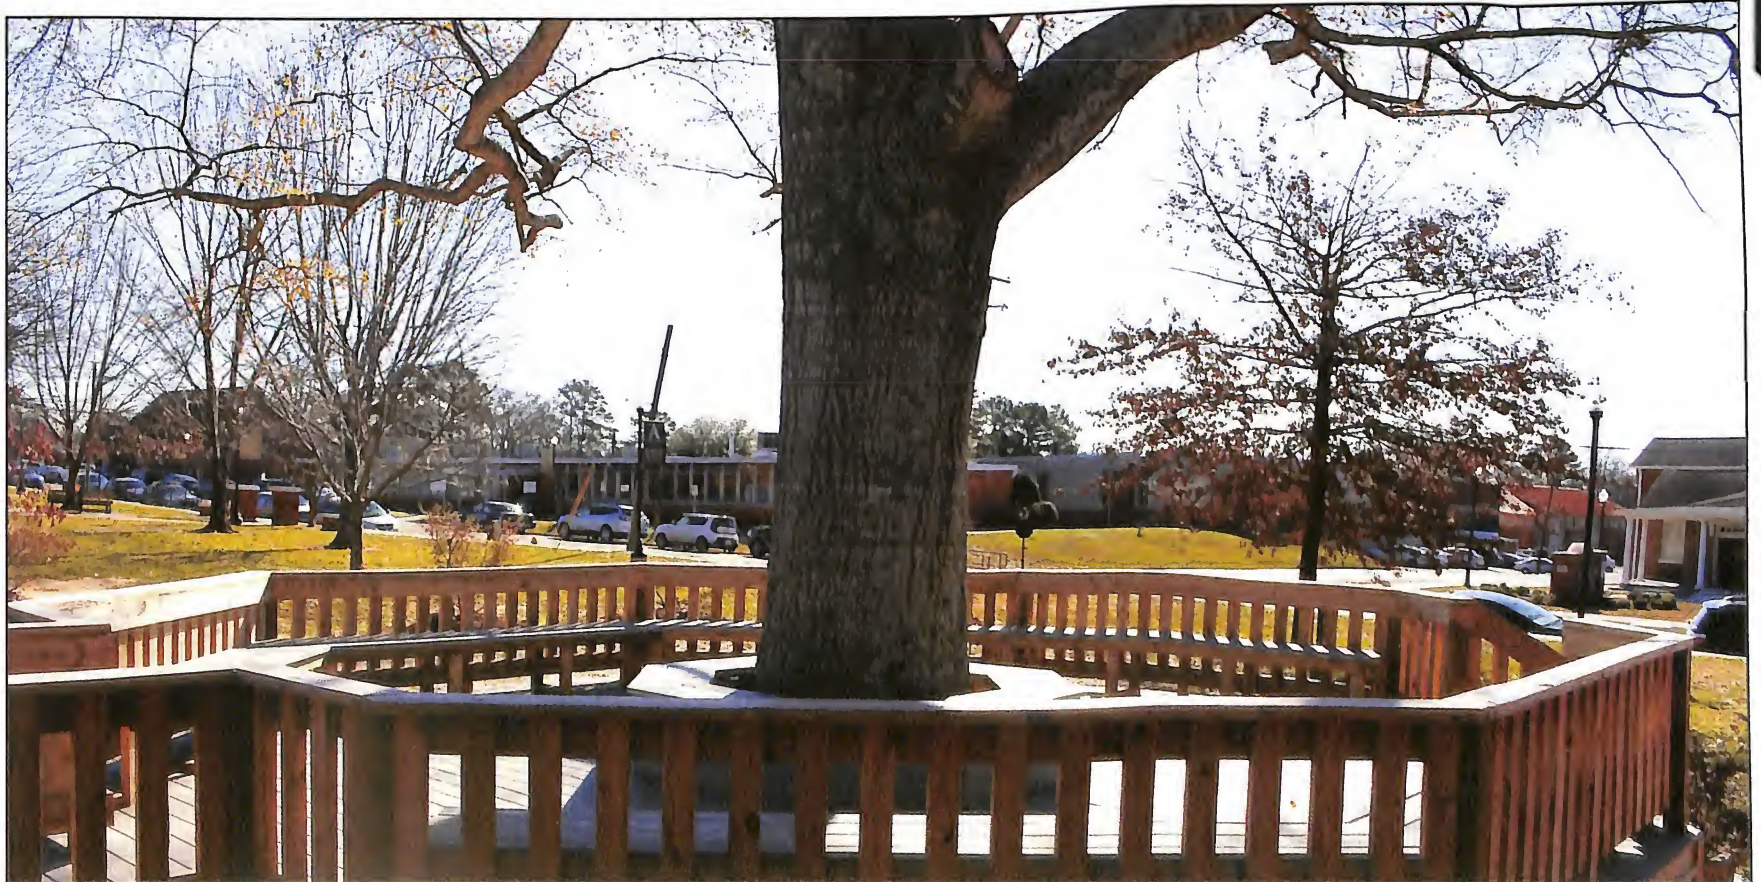

Teachers, especially those in the science buildings, occasionally take their students to hold classes there. Several biology classes have already had classes on the patio.

The East Central administration decided to build the patio deck to provide more social spaces for students to gather, study, and talk, and it appears to be working!

More such spaces are planned on campus in the future.

Lamplighters Honorees

East Central Community College faculty members who were selected to attend the annual Lamplighters Conference included (seated, from left) Cathy May and Mel Pinter, and (standing) Luke Howell.

May is a mathematics instructor and has been employed at the college since 2010.

Pinter serves as an instructor in the college's Associate Degree Nursing program and joined the ECCC faculty in 2008.

Howell was employed by the college in 2010 and teaches Collision Repair Technology, a division of the Workforce Education Department.

The annual Lamplighters program honors outstanding community and junior college instructors throughout the state.

This year's conference was held October 20-22, 2015, and was hosted by East Central and Meridian community colleges.

HEADWAE Honorees

Sophomore Ben Pace of Philadelphia and mathematics instructor Jenna Wright of Madden represented East Central Community College at the 2015-16 Higher Education Appreciation Day: Working for Academic Excellence (HEADWAE) program.

The annual HEADWAE observance was established by the Mississippi Legislature to honor academically talented students and faculty members from each of the 36 public and private member institutions of the Mississippi Association of Colleges.

Pace is a pre-dental major and a graduate of Neshoba Central High School. A Dean's List scholar, he was selected for Who's Who Among Students in American Community/Junior Colleges and was named to the Phi Theta Kappa All-Mississippi Academic Team.

He serves as president of the President's Council, co-president of Warrior Corps, president of Phi Theta Kappa, and is a member of the Concert Choir, Phi Beta Lambda, Sigma Sigma Mu Tau and Students Against Destructive Decisions. He is a former member of the Wall O' Sound Band and Ac'cents Show Choir.

He is the son of Derek and Patty Pace of Philadelphia.

Wright has been employed at the college since 2012.

She earned the bachelor's degree in math education at Troy University and completed a master's in statistics at Mississippi State University.

She is a former graduate teaching assistant at Mississippi State.

She and her husband, Eric, reside in Madden.

Honorees were invited to the State Capitol where they were welcomed by Lt. Gov. Tate Reeves and recognized in each legislative chamber.

A luncheon was also held at the Jackson Marriott Hotel in downtown Jackson, during which each student and faculty honoree was recognized in front of their guests, institution leaders, corporate sponsors and legislators.

Instructor of the Year

Jenna Wright of Madden was selected the 2015-16 Instructor of the Year at East Central Community College.

When notified of her selection, Wright said, "I was overwhelmed when I found out that I received this honor. I am grateful to God first, my husband, and my co-workers for the support and encouragement they give me daily."

It is those co-workers who top the list of people who have influenced her career the most.

"My biggest influence would have to be my co-workers at EC, being that this is my first job out of graduate school. The Math and Computer Science Department took me under their wing and have taught me everything I know, not only about the art of teaching, but the importance of compassion towards students."

Wright has been employed as a mathematics instructor at the college since 2012.

Her honors include selection as 2016 HEADWAE (Higher Education Appreciation Day: Work Toward Academic Excellence) Instructor of the Year.

When asked about her advice to those who are considering a career in teaching, Wright said, "Teaching is a calling and will be what you make it. Learn all you can from the people around you, and laugh with your students daily."

She earned the bachelor's degree in math education at Troy University and completed a master's in statistics at Mississippi State University.

Prior to joining the ECCC faculty, she was a graduate teaching assistant at Mississippi State University.

Phi Beta Lambda

Excels at State Competition

East Central Community College's Theta Chi Chapter of Phi Beta Lambda, an organization that provides opportunities for postsecondary students to develop business-related career competencies and promotes a sense of civic and personal responsibility, is one of the most active groups on campus. Networking, leadership experience and competition are just a few of the reasons students become involved each year.

ECCC Phi Beta Lambda activities during the year include hosting the State Fall Leadership Conference, which is open to all high school FBLA chapters and all college PBL chapters, and the FBLA Central District conference. Members assist with planning the conference and serve as greeters and proctors for various competitive events.

Theta Chi also participates in community service projects and social activities including the Think Pink breast cancer awareness event and raising funds for the March of Dimes. Phi Beta Lambda has had a partnership with the March of Dimes for more than 30 years and participates in the Mississippi March of Dimes Walk and Signature Chef Series fundraiser event each year.

State workshops and conferences provide a network within the state and students can encounter the true PBL experience at the National Fall Leadership Conference or National Leadership Conference held each year.

Competitions at the events include Job Interview, Public Speaking, Sales Presentation, Networking, Computer Applications and Parliamentary Procedure. Phi Beta Lambda members who compete at the state and national level also have the opportunity to win scholarships.

In 2016, 20 ECCC PBL students competed in 21 events at the state level with winners in each category. Each member placed first in at least one event and will attend the national competition in summer 2016 in Atlanta.

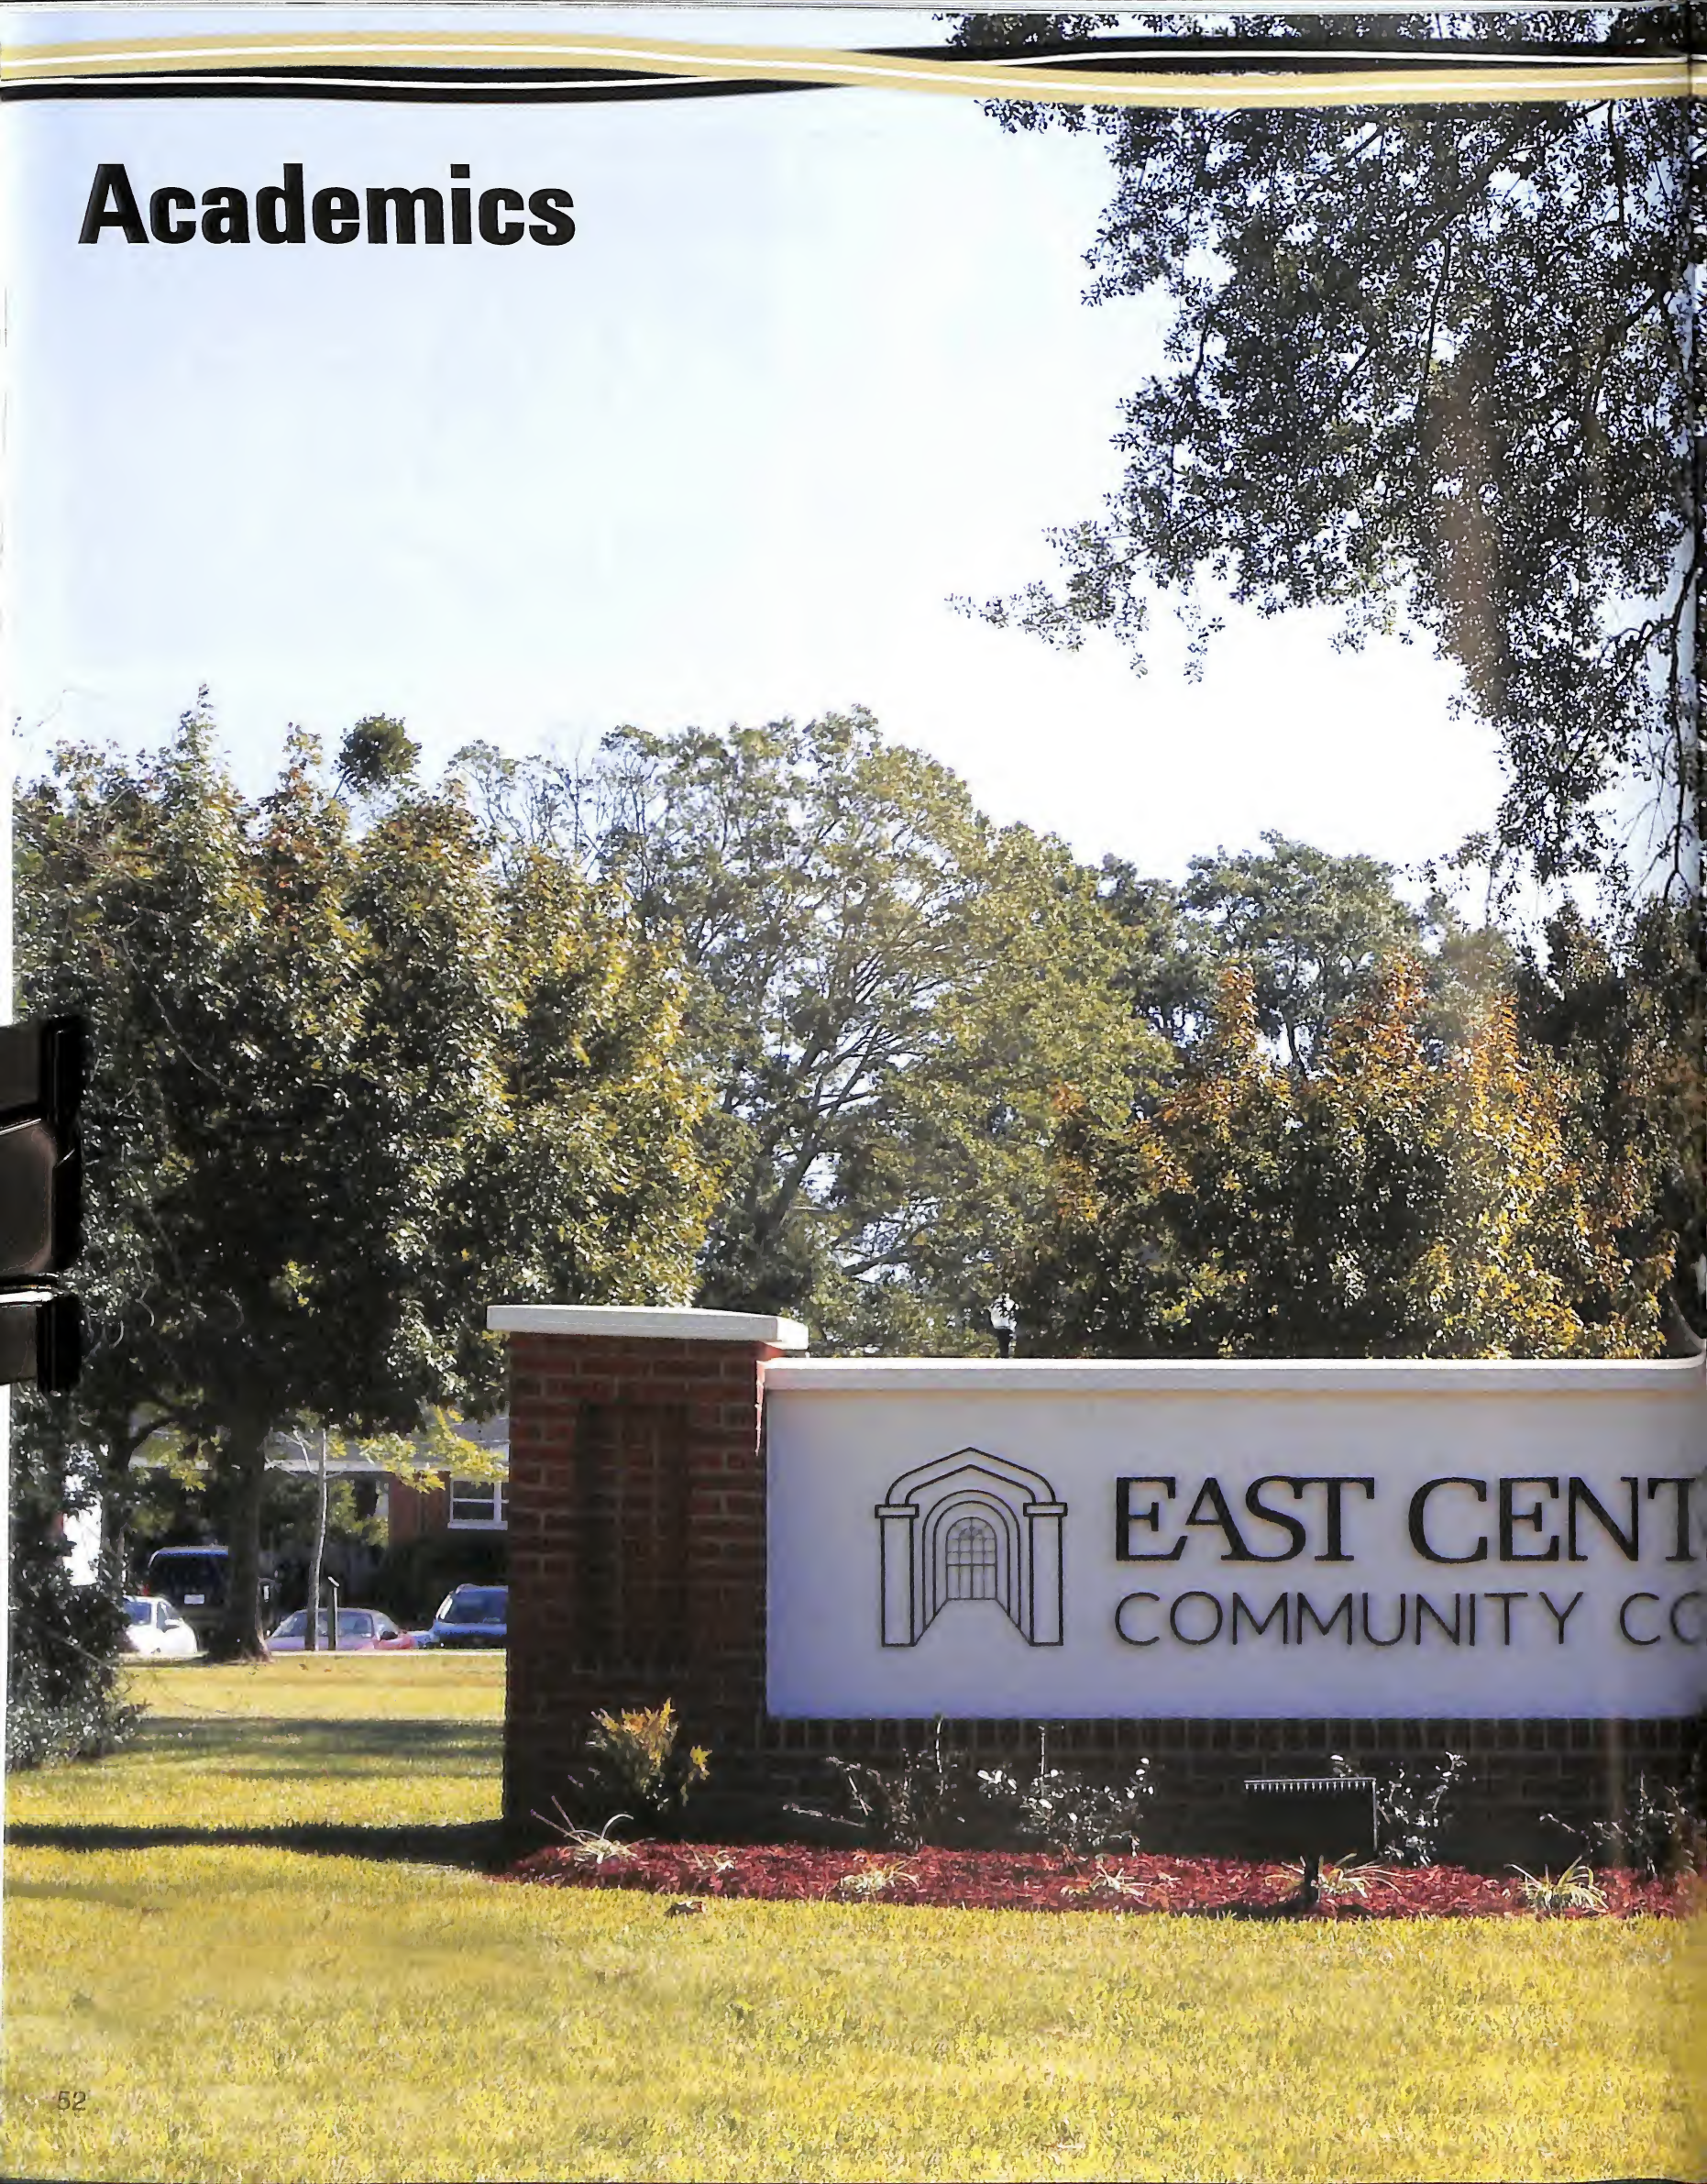

Students that fully embrace all that Phi Beta Lambda can offer possess leadership skills and real business world ethics to enhance their future careers.

State award winners include (first row, from left) Alely Cruz and Alisha Savell, both of Philadelphia; and Whitney Billings of Sebastopol; (second row, from left) Jennifer Watkins of Decatur, Kimberly Watkins, Katie Hillman and CrisAnn Bryan, all of Philadelphia; and Anna Claire Housely of Morton; (third row, from left) Memry Thompson and Paxton Homes, both of Morton; and Morgan Jones of Pontotoc; (fourth row, from left) Caleb Brown of Philadelphia, Morgan Cain of Carthage and Khalil Triplett of Philadelphia; and (fifth row, from left) Ben Pace of Philadelphia, Enoc Reynoso and Lane Wooten, both of Carthage; and Tyler Spears of Union.

Academics

1st Place Once Again!

ECCC Transfers Have Highest GPA

Students who transfer from East Central Community College to four-year institutions are once again recognized for academic success, according to a recent report from Mississippi's Institutions of Higher Learning.

Results from the IHL report revealed that transfer students from ECCC achieved a 3.22 grade-point average, which represents the highest cumulative grade-point average of all community college transfers at the state's eight public, four-year institutions. Students from the community/junior college in second place earned a 3.21 GPA, and the average for all 15 community colleges combined was a 3.13 GPA.

The report again showed that community college transfer students performed academically as well or

better in university courses than students who began their education at the senior institutions.

ECCC President Dr. Billy Stewart said he was "extremely proud" of the former students and for the role EC faculty and staff played in preparing them to transfer to the four-year university level.

"This data, compiled and reported by IHL, affirms the results of our college's dedication to Student Success and Teaching and Learning, two hallmark commitments of our strategic plan for the future, *2020 Vision*. Our faculty and staff are to be commended for preparing East Central transfer students well for the academic challenges of a university. Based on the performance of our transfer students, no one does that better in the state of Mississippi than East Central Community College

Mathematics instructor Michael Miles assists a student in the Success Center. All full-time instructors spend one hour a week providing specialized tutoring as part of the college's commitment to student success.

Tobacco-Free Campus

In order to promote a safe and healthy learning and working environment for its students, faculty, staff, and visitors, East Central Community College became tobacco-free beginning January 1, 2016.

The Tobacco-Free Policy was approved by the college's Board of Trustees at its August 2015 meeting. ECCC joins 10 other community colleges in the state of Mississippi in adopting either a smoke-free or tobacco-free campus policy. Smoking has been prohibited in buildings on the East Central campus since 1996.

East Central's Tobacco-Free Policy prohibits all tobacco products, including smoke-emanating (or electronic) and smokeless products, on all campuses, including buildings, housing, community areas, parking lots, outdoor athletics venues, privately-owned vehicles while on campus, and college-owned vehicles, regardless of location. The policy applies to all students, faculty, and staff, and those visiting or conducting business on the ECCC main campus or other college sites.

"Having a tobacco-free campus is just one part of achieving our overall goal to create a campus culture of health and wellness," said Dr. Billy Stewart, college president. "As a college, we will continually look for additional ways we can provide the healthiest campus environment possible as well as wellness opportunities and education for both our campus community and those who visit."

Students discuss the changes that are being made to improve East Central.

Students use the smoking area for one of the last times before the new tobacco-free change is put into effect.

Schedule Change

College Pilots 4-Day Class Schedule

"It's a lot better. It equals out with time off and time in class."
-William Jefferson

"You do not have school on Fridays!"
-Cody Beckham

"I like the four-day schedule because it fits with my work schedule."
-Yared Roman

"I think it's better for students, especially non-traditional students who work. I think when we get acclimated to it we will wonder why we didn't do it sooner."
-Blake Everett, English Instructor

"I thoroughly enjoy the day at the end of the week to plan for my courses."
-Rachel Tyson, Speech Instructor

Starting in Spring 2016, East Central changed from a five-day schedule to a pilot four-day class schedule. The classes that usually meet on Mondays, Wednesdays, and Fridays now meet on Monday/Wednesday or Tuesday/Thursday. The classes changed from 55-minute classes to an hour and 20 minutes.

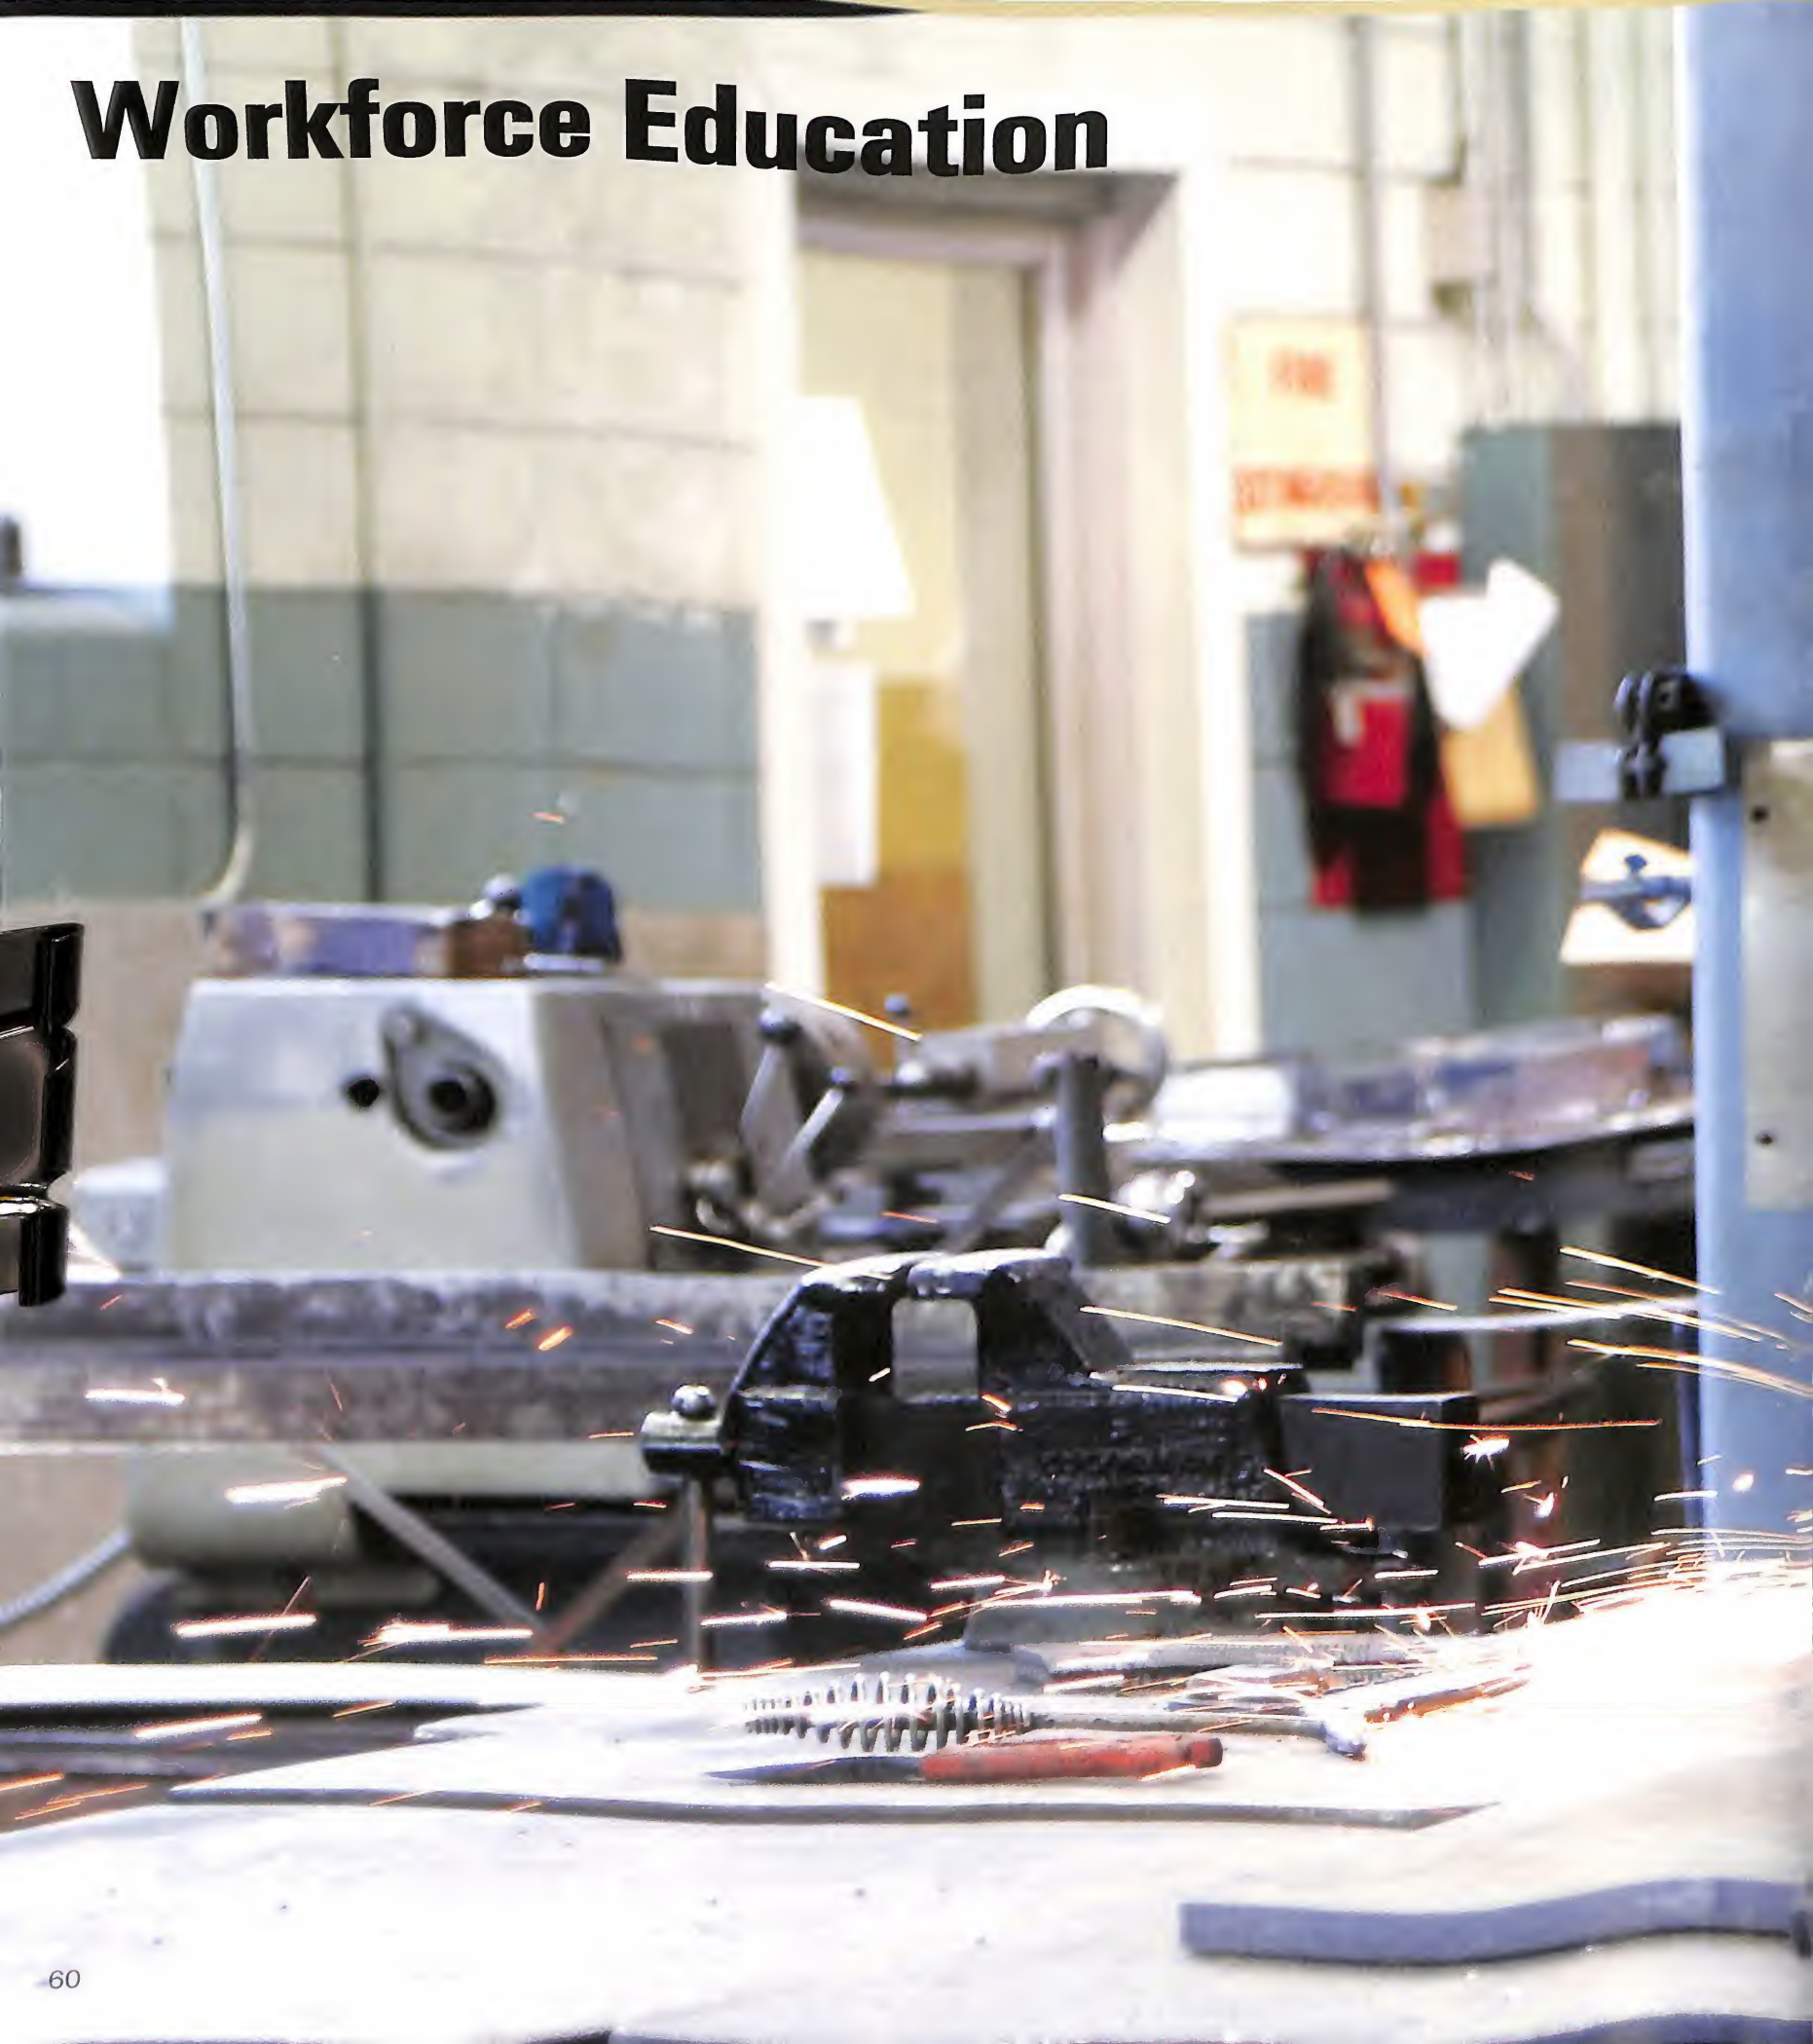

During the implementation of this pilot program, Fridays are a day for learning opportunities, such as utilizing the Library and Success Center. Faculty members are also available on Fridays to visit with students in their offices, prepare for classes, complete other office duties, and attend professional development opportunities.

EC is hopeful that students will use each Friday as a time to study and prepare for the next week of classes. The four-day class schedule will allow for four, 50-minute activity periods each week for student organizations and clubs to meet as well as for students to eat lunch.

Commuter students may realize an overall savings in fuel costs, and students who have a part-time job will have the opportunity to work an extra shift on Fridays if they desire. EC also believes non-traditional students will find it easier to schedule classes around full-time employment, and the four-day class schedule will give EC an opportunity to perform building, technology, and other maintenance in several instructional facilities on Fridays.

With the exception of the full slate of classes, the college will operate as normal on Fridays. However, the cafeteria adjusted its breakfast, lunch, and dinner hours Monday through Thursday to accommodate students and the new class schedule.

Kaylee Yates, SBA President

Reflections

It has been such a blessing to serve on the Student Body Association my two years at East Central. The SBA is responsible for planning all student activities on campus. I was excited to begin the journey of being the SBA President, and was eager to see how God would work through me to benefit the campus. I never realized how much went into planning the activities. I use to show up and just enjoy them; I was now in charge of making sure that everyone else who showed up would be having fun.

There were moments where it was stressful, but I always had an amazing team to help me. However, through the experience of being SBA President, I learned so much and was able to grow. I plan to take the knowledge that I obtained and use it as I take the next step in life. East Central has been a huge blessing in my life, and I am so honored to have had a small piece in the big picture that God has planned for the campus.

There is so much to love here at East Central, but being a

part of SBA was by far one of my favorites. SBA gave me the opportunity to take my ideas and bring them to life. One of my favorite weeks to plan with my fellow advisors was Spring Spree. It is the biggest week on campus, with different events every night. It is one week where students get a break from stressing about class to just have some fun.

Another thing that I loved about SBA were the friendships it allowed me to make. Being a part of all the student activities gave me ample opportunities to meet new people. SBA gave me lifelong friendships that I will cherish forever.

SBA has been one of the biggest blessings in my life, and I am so thankful God gave me the privilege to be the president. It is a part of my life that will forever hold a place in my heart.

Bon Appetit

Cooking and Serving

The Bon Appetit student organization consists of East Central Community College students interested in the culinary arts. The group also includes honorary members from the Newton County 4H Club and a local Girl Scouts of America chapter.

The organization's members have many opportunities throughout the academic year to showcase their skills.

According to Bon Appetit sponsor Chef Barry Karrh, this past academic year the Bon Appetit members prepared goodies for the Early Childhood Education Technology program's Fall Halloween Party with a "minions" theme, as well as the college's annual Fine Arts Christmas Spectacular in December with a "hodge-podge" 1960s Christmas theme.

Other events that the students assisted with were the Non-Traditional Student Day "chef's wars" to recruit for the department, Decatur Chamber of Commerce's annual

banquet, Mississippi Association of Community and Junior College's Legislative Luncheon, and Pink Ladies of Newton County meeting.

The students were also very active in service opportunities, donating more than \$2,000 worth of equipment to the Louisville High School culinary program; providing clothes, bedding, towels, china, cookware and other items to two families who lost all their belongs over Christmas break; catering for numerous continuing education classes; and presenting special lectures on nutrition to various organizations.

The students and Chef Karrh even planted a new herb garden which is still growing and changing!

In September, a Culinary Arts class was the subject of a feature on "Look Around Mississippi" by WLBT TV's Walt Grayson.

"One-Hit Wonders"

"Fun entertainment" is how Ed Girling, interim director of bands, described the Wall O' Sound's 2015 marching show.

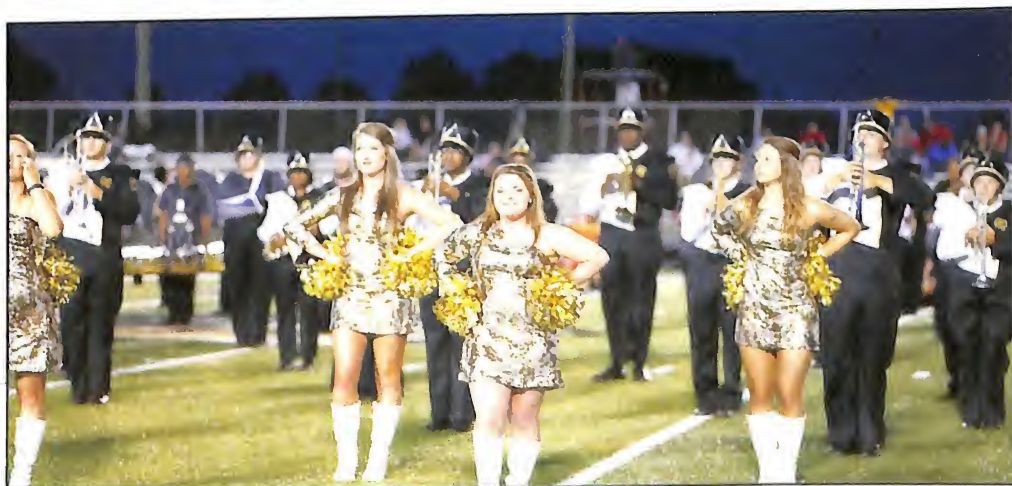

The halftime show was titled 'One Hit Wonders' and featured tunes that were the only hit song by their respective performing group. Although the performers never gained a lot of notoriety, the songs were mega hits that stick in the brain.

Those in attendance heard clips from "Ice Ice Baby" by Vanilla Ice, "Vehicle" made popular by Ides of March, "8675309, Jenny" by Tommy Tutone, A-Ha's "Take On Me," "Mambo #5" by Lou Bega, "Macarena" made popular by Los Del Rios, Jeff Buckley's "Hallelujah," "Play that Funky Music" by Wild Cherry and "Don't Worry Be Happy" by Bobby McFerrin.

All of these tunes have been used in movies, TV, and commercials and they provided instant recognition for music fans of all ages.

The show was designed so that the home audience saw something new every time the Wall O' Sound performed until the Homecoming game on Saturday, October 17, when the band performed the entire show.

The 2015 edition of the Wall O' Sound boasted 170 members and performed for each home football game. The band also performed during the road games, including to Pearl River Community College and to the C.H.A.M.P.S. Heart of Texas Bowl.

Collegians

Still Rockin'

East Central Community College's rock 'n' roll band, "The Collegians," continue to rock the campus with the latest and greatest in music.

This year's show included hits by Ozzy Osbourne, Elle King, Shawn Mendes, Ed Sheeran, The Band Perry, Rachel Platten, One Direction and many more.

The group presents two campus concerts each year and performs at various schools and events throughout the ECCC district.

The popular rock 'n' roll group includes vocalists Garrett McDill of Sebastopol, Peyton Jones of Nanih Waiya, Dustin Morgan and Aleia Sharp, both of Union, Tallie Johnston, a homeschooler from Lake, and Anna Wells of Winston Academy; bass guitarist Houston Martin, lead guitarists Stephen Stewart, alto saxophonist Brad Taylor and tenor saxophonist Graham Murphree, all of Newton County; keyboardist Anna Claire Webb of Noxapater, drummer Chris Kelley of Newton, auxiliary percussionist Caleb Franklin and trombonist Evan Derrick, both of Morton; and trumpeter Anastasia Crout of Lake.

Technicians are Michael Buntyn, Ryan Packer, Troy Gregory and Hannah Mitchell, all of Newton County; Christian Bounds and Lucas Bates, both of Lake; Danny Smith of Carthage, Christian Richardson of Union, and Sam Mitchell of Leake Academy.

Chas Evans serves as director and also plays guitar.

Voce: A new a cappella group

East Central Community College introduced a new vocal ensemble for the 2015-16 academic year.

Voce takes the place of the Ac'cents show choir, which was retired at the end of the spring 2015 term.

Voce is the Italian word for voice and that is what this new group is all about. Unlike Ac'cents, Voce is a more inclusive group and performs selections ranging from madrigals to songs similar to the popular group Pentatonix.

The show choir tended to limit the selection of students who wanted to participate due to the dance requirement. With the elimination of dance, more students are expected to audition each year.

The Fine Arts Department hopes that this new endeavor will also provide opportunities for students

beyond the community college level.

A cappella groups are the new trend across the country and students will now be able to leave East Central and audition at the university level where show choirs were usually not an option.

Members of Voce include tenors Stephen Stewart, Darryl Rogers, and Ethan Dunavant; basses David Wilson, Caleb Vaughn, Kirk Griffin, and Samuel Tero; sopranos Kaishanna Young, Cassi Pearson, Sarah Hall, and Madelon Taylor; and altos Sarah Laird, Hannah Mitchell (spring semester only), Louise Berryhill (spring semester only), Randi Kelly (fall semester only) and Rebecca Tero (fall semester only).

Concert Choir

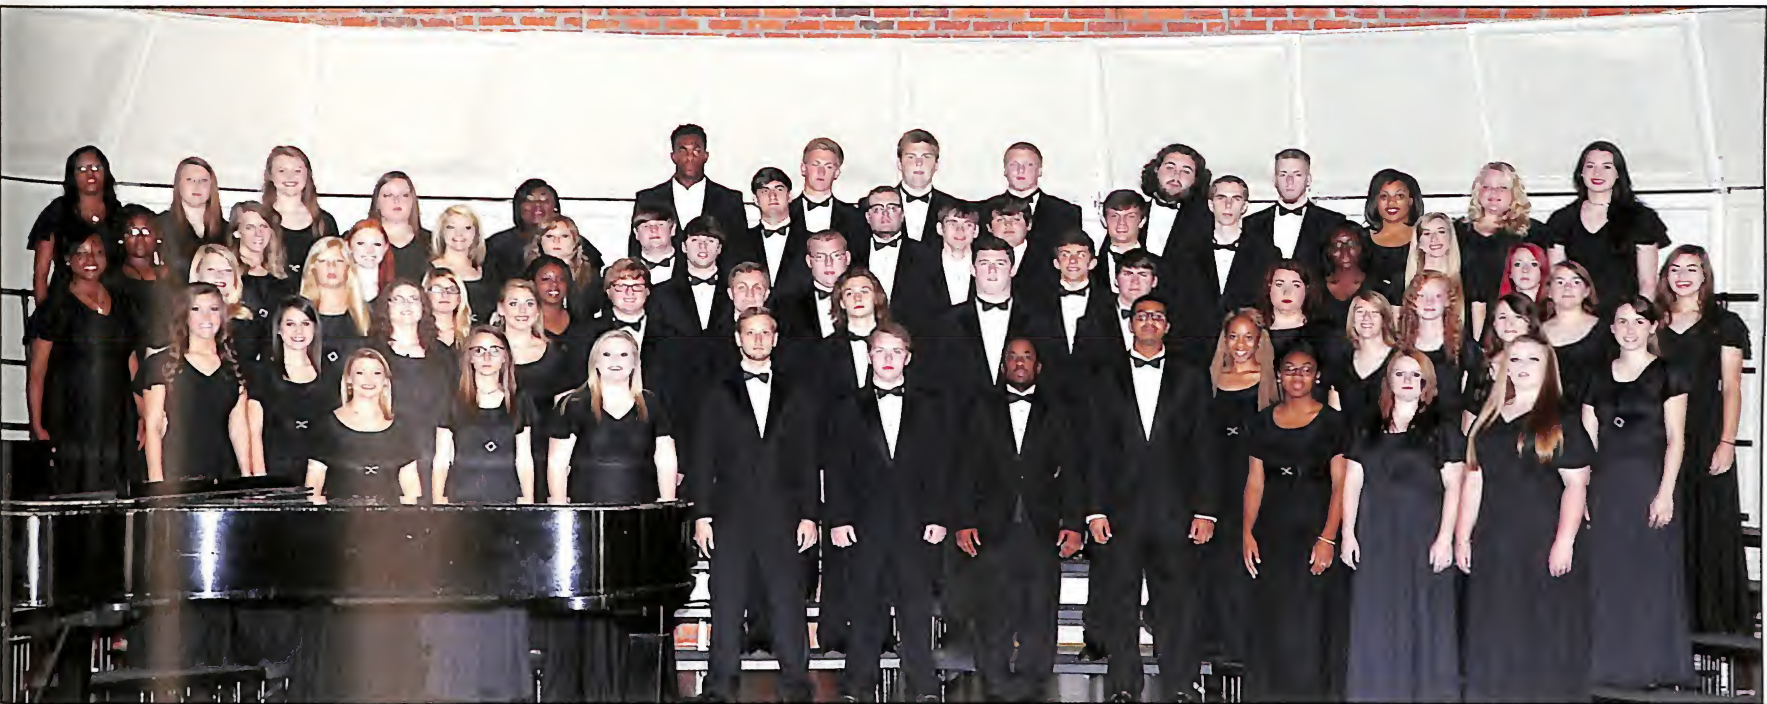

The Concert Choir provides students an opportunity to sing four-part choral music of various styles and periods. The group performs a Christmas and a spring concert each year and also participates in the Mississippi Community College Choral Festival.

This year's Christmas concert was a partnership with the Newton County High School Concert Choir as they presented Handel's "Messiah" in Huff Auditorium with a full orchestra. The program was lead by Vicki Blaylock, ECCC Fine Arts Division chair and choral director, and Suzanne Cain, NCHS choral director.

For the spring semester, the choir performed "The Road Home," "Homeland," "Wayfaring Stranger," "Gate Gate," "Through the Dark," "The Majesty and Glory of Your Name," "A Red, Red Rose," and "Total Praise."

Choir members (shown in the far right/top photo) include (front row, from left) Kaylee Yates, Decatur; Sarah Hall, Philadelphia; Madelon Taylor, Louisville; Ryan Mott, Decatur; Taylor Russell, Louisville; Malcolm McBride, Auburn, Ala.; Kieron Croff, Decatur; Euphrates Jones, Clarksdale; Kayla Skinner, Enterprise; and Hannah Mitchell, Lawrence; (second row, from left) Anna Claire Webb, Noxapater; Anna Katherine Wells and Karla Higginbotham, both of Louisville; Mackenzie Gray, Mendenhall; Anthony Emmons, Lake; Landon Bounds, Union; Taylor Lott, Forest; Garrett McDill, Sebastopol; Troy Gregory, Decatur; Sylvia Thames, Decatur; Adrianna Crout and Anastasia Crout, both of Lake; and Rebecca Tero, Decatur; (third row, from left) Kaishanna Young and CrisAnn Bryan, both of Philadelphia; Katherine Fortenberry, Raleigh; Kaitlyn Ware, Lake; Radiance Wright, Decatur; Cheston Jones, Louisville; Austin Anderton, Carthage; Ethan Dunavant, Newton; Ben Pace, Philadelphia; Courtney Tillman, Decatur; Hope Hennington, Little Rock; Alexandria Crout, Lake; and AnnaLea Clarke, Decatur; (fourth row, from left) Stephanie Griffin, Carthage; Cassie Pearson, Louisville; Rachel Brand, Hickory; Jessica Lanthrip, Sebastopol; Alyssa Chesney, Decatur; Daniel McMahan, Little Rock; Stephen Stewart and Kirk Griffin, both of Decatur; Brad Taylor, Stratton; Luke Clark and Samuel Tero, both of Decatur; Celeste McDonald, Lena; Sarah Laird, Meridian; and Randi Kelly, Philadelphia; and (back row, from left) Eariel Campbell, Union; Kaelin Gentry, Kinsey Gentry, Lea Anthony and Paige Brown, all of Philadelphia; Darryl Rogers, Laurel; Graham Murphree, Little Rock; David Wilson, Decatur; Zachary Emmons, Lake; Austin Gray, Philadelphia; Caleb Vaughn, Decatur; Kiarra McDonald and Destiny Files, both of Philadelphia; and Jade Bishop, Sebastopol. Gospel Choir

The East Central Community College Gospel Choir gives students who are interested in gospel music an opportunity to participate in choral activities on campus and at special events throughout the college district.

In addition to their fall and spring campus concerts, the Gospel Choir sponsors a Black History Month celebration each February.

Choir members shown in photo at far right/top include (front row, from left) Lavore Roberson of Morton, Coco Porter of Philadelphia, LaChina Terrel of Meridian, Tymese Brown of Philadelphia, Jermain Chapman of Newton, Adrian Campbell of Union, Mahan Kincaid of Morton, Kateilyn Edwards of Newton, Aerian Keeton of Morton, Paige Brown of Philadelphia and sponsor Brenda K. Reflections from the President

Dictionary.com defines reflection as the act of fixing serious thought and careful consideration or meditation to something. Therefore, since the theme of the 2016 *Wo-He-Lo* is "Reflection," the smartly designed cover asks us to look in the mirror and reflect on this past year at East Central Community College (ECCC).

As I sat down to write this message, I gave thought and consideration to this past year at our college. What I remembered was a time of great progress, positive change, and abundant blessings. I also quickly realized that there is not enough space on this page—or in this entire yearbook—for me to give adequate tribute to all the progress, change, and blessings that have occurred at ECCC over the past 12 months. However, I do wish to highlight a few.

Last May, ECCC had the largest graduating class in history, with 568 students receiving degrees or certificates, an unprecedented 62 percent increase over the 2013-14 academic year in the number of students earning the two-year pre-baccalaureate Associate of Arts or Associate of Science degree, and an overall 36 percent one-year increase in students completing all programs, including pre-baccalaureate degrees, technical degrees, and certificates.

The week after graduation, new paving, sidewalk and lighting improvements made to South Campus, thanks in part to grant funding provided through the Mississippi Department of Transportation, were dedicated. Those improvements not only made the campus more aesthetically pleasing, but improved safety for students.

We learned in July, for the the second straight year, that students who transferred from ECCC to four-year institutions earned the highest cumulative grade-point average of all community college transfers in Mississippi. Students who transferred from ECCC to one of the state's eight public, four-year institutions earned a 3.22 GPA.

When classes began in August 2015, two newly renovated male dormitories—Newsome Hall and Todd Hall—were opened. The renovations included new flooring, furniture, lighting, restroom facilities, and heating and air conditioning. The \$2.1 million cost of the renovations was funded by state of Mississippi bond funds.

In January 2016, you became part of the college's two-semester pilot of a four-day class schedule designed to enhance two Institutional Commitments in the college's *2020 Vision*: Student Success and Teaching and Learning. Also in January, the college officially became a tobacco-free campus. The tobacco-free policy is another component of a *2020 Vision* action plan to promote student and employee wellness initiatives that create a culture of health and wellness on campus.

It is anticipated that ECCC will soon break ground on a new three-story women's dormitory on the South Campus that will be located adjacent to Barber Hall. This is a much-needed, on-campus living option that will alleviate the waiting list of female students who wish to reside on campus. East Central is in the final planning stages for the construction of eight new, lighted tennis

courts to serve the men's and women's tennis teams, as well as the campus and local communities.

In athletics, our women's softball team finished No. 2 in the nation last May. The Warrior football team made the state playoffs for the first time in 14 years, won the C.H.A.M.P.S. Heart of Texas Bowl in December, and finished No. 10 in the nation. Our women's basketball team won 19 straight games and in doing so won its first MACJC State Championship in a dozen years. And, as always, our student-athletes were winners in the classroom, with 20 student-athletes being recognized by the MACJC and/or the NJCAA for their academic performance, and the women's softball and soccer teams being named No. 1 in the state and the nation for overall grade-point average.

There are many more important events and milestones in the life of our college within the pages of this *We-He-Lo*. Please know that each of you played a role in the important accomplishments of our college in 2015-16.

In closing, I hope as you look back through the pages of this *Wo-He-Lo* that in your reflection you see that East Central Community College provided you with an educational experience that helped you grow academically, physically, emotionally, and spiritually. I hope that your time at ECCC during 2015-16 helped shape your life as you prepare for the next step in your life's journey, whether that is continuing your education at a four-year university, entering the workforce, or returning to campus for your sophomore year in fall 2016. I also hope that as you reflect, you are filled with gratitude for your year at East Central where you have been surrounded by faculty, staff, and administrators who love you and want to see you succeed. May the words of Jeremiah 29:11 be the testimony of your life!

God Bless.

Golf

The East Central Community College golf team is under the direction of head coach Chris Clark. The team has traditionally competed in the spring only as part of the Mississippi Association of Community and Junior Colleges league tournament play. Those results are shown on this page.

For the 2015-16 academic year, the MACJC began playing tournaments in the fall and the spring. While those results are not shown in this issue of the *Wo-He-Lo*, Coach Clark's linksters performed extremely well and even earned national recognition.

In October 2015, the team was ranked as high as No. 5 in the nation in the National Junior College Athletic Association Men's Golf Division II poll.

The Warriors also were ranked No. 7 in the nation among all NJCAA Division II programs in the most recent Golfstat Relative Rankings compiled by golfstat.com.

Andrew Joiner of Daphne, Ala., finished second in the spring 2015 MACJC State Championship, where the Warriors finished fifth as a team. Joiner and Zack Hammons of Newton both qualified to play in the NJCAA Region 23 Golf Championship played April 26-27, 2015, at Laurel Country Club.

Softball

During the 2015 season, the Lady Diamond Warriors outdid themselves with not only a history-making season, but a great academic year as well. The ECCC women's softball program was named both the NJCAA and MACJC Women's Softball Academic Team of the Year for compiling an overall 3.63 grade-point average for the 2014-15 academic year.

Three members of the record-setting softball team were named to the NJCAA Region 23 All-Region Team following the 2015 season: Mahalia Gibson of Hattiesburg, Lacey Hill of Kilbourne, La., and Chloe Thaggard of Philadelphia.

Mahalia Gibson continued to add to her accolades following the 2015 season by being named NJCAA Division II Softball First Team All-American.

Lady Diamond Warriors No. 2 in Nation

The East Central Lady Diamond Warriors advanced to the championship game of the 2015 National Junior College Athletic Association Division II Softball National Championship May 16, 2015, before falling to Kankakee Community College 5-1. The second-place finish in the nation is the highest-ever for the college's softball program.

The Lady Diamond Warriors ended their record-breaking season with a 48-14 record. In addition to finishing second at the NJCAA National Championship, Head Coach Kristin Chaney's team also finished second in the South Division of Mississippi Association of Community and Junior Colleges league play, second in the MACJC State Tournament, and runner-up in the NJCAA Region 23 Tournament.

"This was a very special year for East Central Community College softball," said Chaney. "I just cannot say enough about the heart of these players and their will to win. We seemed to battle adversity the entire national championship tournament, but they never gave up. Even when we were down four runs in the final inning of the final game, they still thought they would win."

East Central, the No. 5 seed in the tournament, had to win five straight games in the NJCAA National Championship Tournament to advance to the finals after losing 16-2 to Des Moines Area Community College of Iowa on Thursday to fall into the losers' bracket. Overall, ECCC finished 6-2 in the four-day, 16-team tournament. ECCC entered the championship game against Kankakee after having already played two games on Saturday and sitting through rain delays.

ECCC fought its way to the championship game by defeating Des Moines 12-7 in a rematch Saturday morning before beating Johnson County Community College out of Kansas 6-2 on Saturday afternoon in the final elimination game. The Lady Diamond Warriors opened tournament play May 13 with a 3-2 win over No. 12 seed Macomb Community College out of Michigan, followed by the 16-2 loss to No. 4 seed Des Moines and a 7-0 win over No. 14 seed Mercyhurst North East of Pennsylvania on Thursday. On Friday, the Lady Diamond Warriors got a dramatic 2-1 bottom of the eighth inning win over No. 1 tournament seed and No. 4 ranked Phoenix College out of Arizona, followed by a 3-2 victory over No. 7 seed Lincoln Land Community College out of Illinois to advance to play Saturday.

Doubles Team Captures State/Region Tennis Titles

The Lady Warriors No. 2 doubles tennis team of Macken'z Smith (left) and Hannah Peoples won the Mississippi Association of Community and Junior Colleges State and National Junior College Athletic Association Region 23 Tournament titles.

The East Central Community College Lady Warriors No. 2 doubles team of Hannah Peoples and Macken'z Smith captured the MACJC State and NJCAA Region 23 Tournament titles April 18, 2015, in Tupelo.

Peoples of Leake Academy and Smith of Newton County High School won four straight matches over the three-day competition played at Rob Leake Park in Tupelo to win the titles. The tandem of Peoples and Smith defeated Allie Dear and Caroleah Brister of Copiah-Lincoln Community College 3-6, 6-0, 6-3 in the opening round; No. 1-seeded Ivy Robbins and Anna Claire Griffin of Itawamba Community College 6-4, 4-6, 10-7 in the quarterfinals; Brittany Weathersby and Kelly Carlson of Hinds Community College 6-1, 6-4 in the semifinals; and No. 2-seeded Alden Hartley and Jennifer Smith of Meridian Community College 6-3, 6-2 in the finals.

"Hannah and Mackie dominated the finals match with crushing overheads, aggressive net play, and great court coverage," said Dianne O'Neill, East Central's adjunct tennis coach. "The team played to a largely ECCC cheering crowd which gave them a lot of momentum.

"The combination of Hannah's athleticism and speed coupled with Mackie's quick hands and steady ground strokes made for an unbeatable team this week."

O'Neill said that it's unusual to have a player such as Peoples, who is both competitive and well liked by her opponents. "Hannah is soft-spoken and the most gracious player always, win or lose," O'Neill said. "She is the team captain and a great role model."

Smith had knee surgery during her senior year in high school and missed most of the pre-season at ECCC.

"Mackie fought hard for her position on the team," commented O'Neill. "EC's loss is that she is graduating early and won't get to play her second year for the Lady Warriors."

It was East Central's first women's basketball state championship since the 2003-04 season and sixth overall in program history.

"God deserves all the credit," said Head Coach Crandal Porter. "This is a great sophomore group and such a close knit group. This league is very tough, but every challenge that you put up against this team, they are always up for the challenge. South Division Champs and now State Champs."

East Central and Itawamba entered the championship game as the top two seeds in the tournament. East Central was the No. 1 seed from the South Division and Itawamba was the No. 1 seed from the North Division.

The game seesawed back and forth in the first quarter after Itawamba took an early 4-0 lead. A three-pointer by East Central's Kalybriah Haskin with 9:00 to go in the second period gave the Lady Warriors a 21-18 lead that they would never give up.

East Central led 38-35 at the half. The Lady Warriors controlled the final period leading by as many as 14 at one point before the final score of 75-63.

Sophomore Johnta' Hughes scored all 12 of her points in the second half. Closing

My time at ECCC has been an amazing experience. My teachers have been wonderful. They have given of their time, talents, and much appreciated advice. The support system at EC is one of its greatest assets. I would not trade this experience for anything. One of my favorite assignments was being editor of the *Wo-He-Lo* yearbook. This job would not have been possible without the help of many people.

First, I would like to thank God and give Him all the glory because with Him all things are possible.

Thank you to Mrs. Gennie Taylor, former yearbook sponsor.

I would also like to thank my assistant editors, Brooke Smith and Hannah May, and my staff members, Kaylee Yates and Sarah Laird, for sticking by my side throughout the whole year. They have been truly dedicated and have spent many long hours working on this project. Without them, this yearbook would not have been a success.

Mr. Bill Wagon, Ms. Karen Robertson, Mrs. Maria McLeod, and Ms. Tierra Robinson from the Public Information Office deserve more than a thank you. I have no idea how we would have gotten this yearbook complete without all of their help. I thank you all from the bottom of my heart. Also, Mrs. Amy Thompson, thank you so much for your help and guidance. Thank you Dr. Billy Stewart for leading East Central and reminding us to always have Excellence with Class.

Last but certainly not least, I would like to thank my parents for always supporting me and pushing me to do my best. I know I would not be the person I am today without either of you.

To all the students and employees at East Central, take the time you spend here to enjoy all EC has to offer. I hope everyone can look back and remember that this was truly an amazing year.
